The second company test

PE operating partner / GP

THE FIELD TEST

Take the test, leave the records

Share a generic duplicate example and expected decisions. Keep each company’s source records local.

THE FIELD TEST

II

Change one detail

Amend the purchase order after approval. Which local role may stop the posting?

THE FIELD TEST

Buy a replay before a rollout

Ask the second controller to accept a local trial before you fund expansion.

TAKE IT TO THE MEETING

What can the second company reuse without assuming the first company’s rights?
